Personal Emergency Plan & Emergency Kit

Information to help guide you through the hurricane season

Personal Emergency Plan

Go through each section with your family to plan what should be done if there is an emergency so everyone is aware.

What can happen to us?

List all the possible scenarios that can happen to you:

What is my disaster plan?

Outline an emergency plan for the persons listed above (consider if the disaster occurs when you are in your place of work, school or home):

In the event of a disaster (specify from the list in 1. above), I will do the following:

What are my planning needs?

List your family members/persons closest to you or persons who you give priority to (e.g. spouse, parents, children, grandchildren, friends/neighbours, people with special needs, pets, etc.):

Outline an emergency plan for the persons listed above (consider if the disaster occurs when you are in your place of work, school or home):

In the event of a disaster (specify from the list in 1. above), my _____ will do the following:

Emergency Contact List

List the persons/relevant authorities/family members who can be contacted to assist in the case of an emergency/disaster:

Emergency	Name	Contact

Plan Maintenance

Keep track of when you complete the following so it can help you keep your plan updated:

Maintenance	Last Updated
Update the phone numbers and info on your Emergency Phone List and Wallet Cards	
Meet with your family to discuss and practice the Emergency Plan	
Conduct a fire drill	
Conduct a "shelter in place" drill for an earthquake	
Test and recharge your fire extinguisher according to manufacturer's instructions	
Replace stored water every 6 months	
Rotate food supplies every 6 months – as necessary	
Rotate the medications from the emergency kit into those you use regularly
